

NORWOOD MINI

EXPRESS YOUR
CREATIVITY

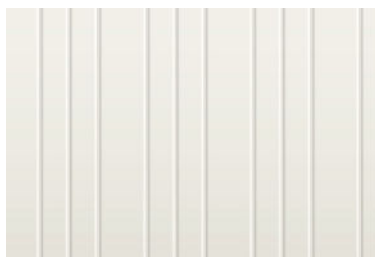

The Norwood Mini profile and its two-dimensional board combine the charm and simplicity of Scandinavian style with narrow or multi-width moldings. Used on its own or in combination with Norwood, the Norwood Mini allows you to create a wide range of patterns.

Installed vertically, horizontally or even diagonally, Norwood Mini will add depth and a distinctive look to your project.

ENDLESS POSSIBILITIES

Here are just a few infinite installation possibilities Norwood offers when combined with Norwood Mini.

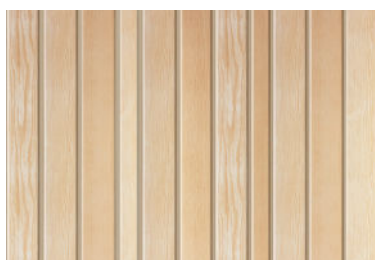

2 Norwood Mini X 1 Norwood

3 Norwood Mini x 1 Norwood

1 Norwood Mini x 3 Norwood
